WATER USERS AGREEMENT

By applying for water service, the applicant and undersigned agrees, if application is approved, to abide by the terms set forth below:

(S)He avers that (s)he is the owner of the land located within the above Rural Water District No. 1 as described above.

1. Purchase or cause to be purchased one benefit unit for water service at the unit price of five thousand dollars (\$5,000).

2. Pay a minimum monthly charge for water service from time service capability is established by the District, and pay for additional water at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charge and rate schedule by the Board of Directors of the District shall become a part of this agreement as though fully set out herein.

3. Water users will receive a water bill around the fifth of each month and remit payment, which is for the previous month's water usage, no later than the fifteenth of each month. Bills not paid by the sixteenth of the month shall be subject to a late charge. Failure to pay a water bill may result in discontinuance of service.

4. The water service supplied by the District shall be for the sole use of the undersigned; the undersigned agrees that (s)he will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will (s)he share, resell or submeter water to any other consumer. Each meter service shall supply water to only one residence or one business establishment located on said property within the District.

5. If water service is discontinued or disconnected for any purpose after service is available, pursuant to the By-Laws and the Rules and Regulations of the District, restorations shall be upon the conditions set out in the By-Laws and the Rules and Regulations of the District.

6. The undersigned agrees that upon sale of the real estate to which the benefit unit is assigned, all charges incurred to the date of sale will be duly paid and that the Benefit Unit Certificate reflecting the transfer of the unit to the buyer will be duly signed and provided to the District with a transfer fee.

7. The undersigned agrees that (s)he will make no physical connection between any private water system and the water systems of the District. Representatives of the District may at any reasonable time come on the premises where the water is being used for the purpose of making inspections. Violation of this provision shall be grounds for disconnection of service.

8. The laws of the State of Kansas, the By-Laws of the District and the Rules and Regulations of the District, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein and the user agrees to abide by them.
